How to take care of **the natural beauty of the lips?**

Delicate and sensitive lip skin requires proper care every day. To make the lips beautiful and tempting, reach for our **CARING LIP OILS**, which will take care of the perfect appearance of your lips. These are multifunctional cosmetics that effectively nourish your lips and give them shine.

 **What you will love it for:**
for the fact that it not only gives the lips a natural, luminous glow and subtly colors them, but also comprehensively cares of them.

 **What will delight you about it:**
the formula is rich in valuable vegetable oils: jojoba oil, sweet almond oil, grape seed oil, and castor oil. Thanks to that, it perfectly cares of the lips, moisturizes, nourishes, regenerates and protects them

against the adverse effects of external factors.

 **What else should you know about it:**

the oil has a light, non-sticky formula. It is easy and precise to apply. You can choose from two scents: juicy forest fruits or refreshing grapefruit.

 **How to use it:**
apply the oil to your lips using the applicator.

What are the users saying?

100% of the respondents* confirmed that the oil has nourishing and regenerating properties and improves the contour of the lips. Everyone also found that the oil eliminates dry lips and restores the feeling of comfort.

SENSITIVE SKIN

CARING LIP OIL

3 ml

* on the basis of independent application and user tests conducted on a group of 20 persons.

1 VANILLA
symbol: 304015

What you will love it for:

due to the warming ginger extract, which improves blood supply, the oil provides the effect of full, tempting lips. The oil emphasizes and enhances the shape and natural color of your lips.

What will delight you about it:

nourishing formula is based on nutritional and moisturizing vegetable oils, which perfectly cares of the delicate lip skin. The oil firms the lips up and smooths them. It prevents the lips from cracking and drying out. It provides a feeling of smooth and soft lips for a long time.

How to use it:

apply the oil to your lips using the applicator. The sensation of a slight warming of the lips results from the ginger extract present in the cosmetic.

What else should you know about it:

the oil has a light, non-sticky formula and smells of sweet vanilla.

What are the users saying?

100% of respondents** confirmed that the oil optically enlarges the lips and emphasizes and enhances their natural color. Everyone would buy it again and recommend it to friends.

SENSITIVE SKIN

CARING LIP OIL PLUMP LIP EFFECT
